30 tools of great teamwork

join the conversation

Supercharged Teams: the latest business book to give any team member or team leader 30 tools to reset your team

Author Pam Hamilton will be hosting a conversation event each week to discuss the opportunities and challenges facing teams today, based on the 13 chapters of the book.

Join Pam Hamilton and other teamwork experts in conversation on how work has changed, why working in a team is harder than ever today, and what the best teams are doing to work better together. Enjoy case studies, stories and advice in these informal discussions to help you supercharge your team.

Find out more about Supercharged Teams here www.superchargedteams.com and register individually for each event using the links below.
